The SDGs help Bilbao to implement the city’s Charter of values

The Charter is a collective effort, by the city, the civil society, communities, academia and private sector to promote the following values:

- Human Rights, Social Justice, Gender Equality, Solidarity
- Diversity/inclusion, Commitment, Environmental Sustainability
- Participation, Trust, Creativity, Coexistence, Identity, Effort
- Co-responsibility, Honesty, Enthusiasm, Health

The Bilbao Charter of Values
In March 2018, the Plenary of the City Council approved the Bilbao Charter of Values. The Charter resulted from an ambitious and extensive participatory process that involved 1,400 Bilbao residents.

The actions
Bilbao uses the SDG as inspiration and baseline to implement its Charter of Values.

CASE STUDY: SDG VALUES BROUGHT TO SCHOOLS
346 students from 25 local schools took part in a multi-faceted initiative that brought the values of the Charter to the classrooms.

BILBAO CHANGE MAKER GAME
A game where young people would ask themselves: What can I do to ensure that my community, city, country or world would be more sustainable?

Bilbao SDG actions are contributing to create the future global citizens of 2030
